dell'Ordine de' Predicatori

*Onoscendo il piacere, il diletto, e la sodisfattione frà gli altri esercitij virtuosi, che sua Paternità Molto Reuerenda prende della Musica, e desiderando sempre per quella seruitù, & oblihi infiniti, c'hò, & harrò sempre con lei, far cosa che in qualche parte le fusse grata (per quanto le mie forze s'estendono) m'è parso dedicarle vn Giardino di Spirituali concetti, acciò si ricordi dell'obligo mio verso lei, all'amoreuolezza di cui mi rendo perpetuo debitore. Si degni dunque sua Paternità Molto Reuerenda accettarlo con quel generoso animo, che suole accettare le cose à lei grate, perche quantunque il dono per se stesso par che sia picciolo rispetto alla qualità sua, non sarà però picciol segno, ch'io tengo con lei perpetuamente nell'animo di seruirla, à cui con tutt' il cuore inchinandomi, bacio riuererentemente le sacrate mani.*
